

Dermatology Care Technician Position

Gulf Coast Veterinary Specialists is seeking a candidate to fill the Dermatology Care Technician position for our Dermatology & Allergy Department of our progressive and technologically advanced Veterinary Specialty Practice.

It is the responsibility of the Dermatology Care Technician (DCT) to maintain the communication lines between doctor and client, provide daily financial and medical updates on all in-hospital patients, and handle client phone calls and questions. A DCT must also manage the doctor's appointments, prepare an invoice, and schedule doctor's procedures. They are responsible for monitoring and treating patients, keeping detailed records for in or out patients when needed and preparing procedures when needed. A DCT must have good communication skills with the doctors and other DCTs in order to perform the work as delegated and produce quality results. Client communication skills are paramount. A DCT must be willing to go the extra mile for the clients, and have a "Can Do" attitude. This position requires a dependable, high energy person who can handle multiple tasks at one time as well as a moderate stress, fast paced environment.

Benefits offered to our employees:

- Paid Time Off
- Health Insurance
- 401K Profit Sharing Program
- Paid Holidays
- Rewards Program
- Discounted Pet Services and Supplies
- Uniforms Provided

If you are interested in being considered for the position listed above, please submit your resume/application to Shawna Whitman via fax at 713-579-2539, or e-mail: Shawnaw@gcvs.com.
