

Eryn Del Monte, DVM

Diagnostic Imaging, Telemedicine

Dr. Eryn Del Monte received her Bachelor's degree in Equine Science and Business Administration from Colorado State University. There, she also completed her Doctorate of Veterinary Medicine in 2018. While in veterinary school, Dr. Del Monte worked for equine radiologist, Dr. Myra Barrett. Upon graduating, Dr. Del Monte completed an equine rotating internship in the Horse Capital of the World, Ocala, FL. She then completed a rotating small animal internship at VCA Sacramento before joining the GCVS team as a Diagnostic Imaging intern in 2020. She began her Diagnostic Imaging Residency at GCVS in July of 2021. Outside of work, Dr. Del Monte enjoys backcountry backpacking and other adventures with her husband and wire-haired Terrier mix, Peebs.
