

Brandy Orr, DVM, MS

Emergency & Critical Care

Dr. Brandy Orr received a Bachelor of Science degree in Biomedical Science from Texas A&M University in 2014. She worked as a veterinary technician for three years, during which time she received her Master of Science in Biomedical Science from Texas A&M in 2016. She continued her education with a Doctor of Veterinary Medicine degree from Texas A&M College of Veterinary Medicine in 2021. Dr. Orr loves all aspects of emergency medicine but is particularly interested in trauma medicine and neurology. In her free time, she likes to work out at the gym, cross-fit, and spend time with her two Rat Terriers, Cama and Trixie.
