

Becky Pacheco, DVM

Avian & Exotics

Dr. Becky Pacheco received her DVM within the zoological medicine track from the University of California, Davis in 2014. She then completed a small animal rotating internship at VCA Veterinary Specialists of Northern Colorado, followed by an avian and exotics specialty internship at Gulf Coast Veterinary Specialists. Following, she moved to Saskatoon, Saskatchewan to join the Zoological, Exotic, and Wildlife Medicine and Surgery Service at the Western College of Veterinary Medicine. As a clinical associate, she provided veterinary care for the Saskatoon Zoo, client-owned exotic companion animals, and a wide variety of Canadian wildlife. She has also spent time training at zoos in Sacramento, Oakland, Dallas, and Houston. Dr. Pacheco has special interests in zoological species of all kinds, soft tissue and orthopedic surgery for exotic animals, dental disease in small mammals, and avian medicine.
