

Bryan Rios, DVM

Diagnostic Imaging

Dr. Bryan Rios earned his bachelor's degree in Wildlife Management from the University of Puerto Rico before obtaining his Doctorate of Veterinary Medicine in 2021 from Ross University School of Veterinary Medicine in St. Kitts. After graduation, he completed a small animal rotating internship at VCA Veterinary Care Animal Hospital and Referral Center in Albuquerque, New Mexico. Dr. Rios then joined Gulf Coast Veterinary Specialists, where he completed a Diagnostic Imaging specialty internship in 2023 and began his Diagnostic Imaging Residency in July 2024.

Outside of work, Dr. Rios enjoys watching anime, axe throwing, gardening, and spending quality time with his wife and daughter. His family in Puerto Rico cares for his two dogs, Bambi and Nala, and two cats, Casper and Lina.
