

Cisco Guevara, DVM, MS, DACVIM

Diagnostic Imaging, Neurology & Neurosurgery

Dr. Cisco Guevara earned his Doctor of Veterinary Medicine from St. George's University, completing his clinical training at the University of Georgia. He then pursued a residency in neurology and neurosurgery at the University of Illinois, where he also earned his Master of Science degree. Before beginning his residency, Dr. Guevara dedicated a year to orthopedic research and completed both a rotating internship and a specialty internship, which laid the foundation for his expertise in neurology.

With a particular interest in neuroimaging and neurosurgery, Dr. Guevara is board certified by the American College of Veterinary Internal Medicine in the Specialty of Neurology. His comprehensive training and experience enable him to provide advanced care for patients with complex neurological conditions.
