

Brian Beale, DVM, DACVS

Sports Medicine, Surgery & Orthopedics

Dr. Brian Beale received his DVM from the University of Florida in 1985. He completed an internship at Friendship Hospital for Animals in Washington, D.C., and a surgical residency at the University of Florida. He became board certified by the American College of Veterinary Surgeons in 1991. Dr. Beale was an assistant professor of surgery at the University of Florida College of Veterinary Medicine prior to joining Gulf Coast Veterinary Specialists in 1992. Dr. Beale is an adjunct assistant professor at the Texas A&M College of Veterinary Medicine, and is a co-author of the industry-defining textbook, *Small Animal Arthroscopy*. In 2018, Dr. Beale was named a Founding Fellow in Minimally Invasive Surgery - Small Animal Orthopedics (arthroscopy and fracture repair) by the American College of Veterinary Surgeons.
