

Grayson Cole, DVM, DACVS, CCRP

Surgery & Orthopedics

Dr. Grayson Cole earned her Bachelor of Science in Microbiology and Cell Science from the University of Florida in 2006, followed by her Doctor of Veterinary Medicine degree in 2010, also from the University of Florida. After completing a small animal rotating internship at Ohio State University, Dr. Cole pursued a surgical internship at Gulf Coast Veterinary Specialists. She then went on to complete a surgical residency at the University of Tennessee, where she became a Certified Canine Rehabilitation Practitioner in 2015.

Dr. Cole spent time in clinical practice at a specialty hospital in San Antonio and became a Diplomate of the American College of Veterinary Surgeons in 2016. With expertise in both orthopedic and soft tissue surgery, Dr. Cole has special interests in soft tissue surgery, surgical oncology, and minimally invasive procedures.
