

Jennifer Evanow, DVM

Dr. Jennifer Evanow was born in upstate New York and graduated from Cornell University College of Veterinary Medicine in 2017. She then completed a small animal rotating internship at Red Bank Veterinary Hospital in Tinton Falls, New Jersey. The following year Jenn returned to Cornell University to complete a residency in Canine Sports Medicine and Rehabilitation. Dr. Evanow's professional interests include pain management, post-surgical rehabilitation, and geriatric management. She loves helping all companion animals reach their individualized goals and return to happy, playful, and active members of their families. She made the cross-country move from New York to Texas to join Gulf Coast Veterinary Specialists with her husband, Kyle, two pit bull mixes, Sig and Miss Blueberry, and Maine coon, Harley. In her spare time, you can find Dr. Evanow enjoying the outdoors, whether it be on the golf course, kayaking, fishing, or anything in between!
