

Katie Pansini, DVM

Diagnostic Imaging, Telemedicine

Dr. Katie Pansini earned her Bachelor's degree in Biology from Auburn University before completing her Doctor of Veterinary Medicine degree in 2021 at Ross University School of Veterinary Medicine in St. Kitts. She then completed her clinical year rotations at the University of Edinburgh in Scotland.

After veterinary school, Dr. Pansini pursued a small animal rotating internship at Auburn University College of Veterinary Medicine. She began her Diagnostic Imaging Residency at Gulf Coast Veterinary Specialists in July 2022, where she is further honing her expertise in diagnostic imaging.

Outside of work, Dr. Pansini enjoys traveling, baking, gardening, and spending quality time with her husband and their cat, Trevor.
