Kristen Fizzano, DVM, MS, DACVAA

Anesthesia & Pain Management

Dr. Fizzano arrives at Gulf Coast Veterinary Specialists with the addition of the specialized Anesthesia service. She received her undergraduate degree from Daemen College and her DVM from Colorado State University. She completed a rotating internship at Carolina Veterinary Specialists in Charlotte, NC and went on to complete a residency in Anesthesiology at Mississippi State University. Her special interests include multimodal anesthesia, pain management, and exotic and zoo animal anesthesia. In her free time, she enjoys baking and dabbling in home improvement projects, as well as hanging out at home with her dogs and cats.
