

Nathan Squire, VMD, MS, DACVS-SA

Surgery & Orthopedics

Dr. Nathan Squire earned his Veterinariae Medicinae Doctoris (VMD) from the University of Pennsylvania in 2017. He then completed a rotating internship in medicine and surgery at Tufts University before heading to the Veterinary Orthopedic and Sports Medicine Group for a surgical internship. Dr. Squire continued his advanced training at the University of Tennessee, where he completed a three-year residency in small animal surgery, earning his Master of Science degree during the program.

Dr. Squire has a special interest in minimally invasive surgery, including both soft tissue and orthopedic procedures, as well as fracture repair and joint replacement.
