

Olivia Murray, DVM, DACVIM

Internal Medicine

Dr. Olivia Murray is a dedicated small animal internal medicine specialist who graduated from Texas A&M University College of Veterinary Medicine. She further honed her expertise by completing a rotating internship and a three-year residency in small animal internal medicine at the University of Minnesota College of Veterinary Medicine.

Dr. Murray has a particular interest in lower urinary tract diseases and is highly skilled in minimally invasive procedures. Her clinical approach is informed by a passion for advancing patient care through innovative techniques.

Outside of her professional life, Dr. Murray enjoys spending time with her husband and two dogs, practicing yoga, and exploring the vibrant city of Houston.
