

## **Stephanie Cerovsky, DVM**

Dr. Stephanie Cerovsky received both her Bachelor of Science degree in biomedical sciences in 2010 and her Doctor of Veterinary Medicine degree in 2015 from Texas A&M University. After graduation, she completed a small animal rotating internship at Miami Veterinary Specialists in Florida, followed by two surgical internships at Metropolitan Veterinary Hospital in Ohio and Las Vegas Veterinary Specialty Center in Nevada. During her internships, she did some relief emergency work, and most recently spent the last year as a general practitioner at a small animal hospital outside of Austin. Her special interests include trauma medicine, surgery, and wound management. In her free time, she enjoys spending time with her animals, exploring the outdoors, crafting, traveling, and spending time with her family at their cabin in Arkansas.
